Tamboran Resources Corporation Announces Launch of Initial Public Offering

Highlights

- Tamboran Resources Corporation (“Tamboran” or the “Company”) today announced the launch of its initial public offering of 6,500,000 shares of Common Stock.
- The initial public offering price is currently expected to be between US\$24 and US\$27 per share. Tamboran expects to grant the underwriters a 30-day option to purchase up to an additional 975,000 shares of its Common Stock at the initial public offering price, less the underwriting discount.
- Tamboran has been authorized to list its common stock on the New York Stock Exchange (NYSE) under the ticker symbol “TBN”, subject to official notice of issuance.
- BofA Securities, Citigroup, and RBC Capital Markets are acting as joint book-running managers for the proposed offering. Johnson Rice & Company and Piper Sandler are acting as co-managers for the proposed offering.

NEW YORK--(BUSINESS WIRE)-- The proposed offering will be made only by means of a prospectus. Copies of the preliminary prospectus relating to the proposed offering may be obtained from: **BofA Securities, Inc.**, NC1-022-02-25, 201 North Tryon Street, Charlotte, NC 28255-0001, Attention: Prospectus Department or by email at dg.prospectus_requests@bofa.com; **Citigroup Global Markets Inc.**, Attention: Citigroup, c/o Broadridge Financial Solutions, 1155 Long Island Avenue, Edgewood, NY 11717 (Tel: 800-831-9146) or **RBC Capital Markets, LLC**, Attention: Equity Capital Markets, 200 Vesey Street, New York, NY 10281, by telephone at 877-822-4089 or by email at equityprospectus@rbccm.com.

A registration statement on Form S-1 relating to the proposed offering has been filed with the U.S. Securities and Exchange Commission ("SEC") but has not yet become effective. These securities may not be sold, nor may offers to buy be accepted, prior to the time the registration statement becomes effective. This press release does not constitute an offer to sell or the solicitation of an offer to buy these securities, nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction. The proposed offering is subject to market and other conditions and the completion of the SEC's review process.

About Tamboran Resources Corporation

Tamboran Resources Corporation (“Tamboran” or the “Company”), through its subsidiaries, is the largest acreage holder and operator with approximately 1.9 million net prospective acres in the Beetaloo Sub-basin within the Greater McArthur Basin in the Northern Territory of Australia.

Tamboran’s key assets include a 38.75% working interest and operatorship in EPs 98, 117 and 76, a 100% working interest and operatorship in EP 136 and a 25% non-operated working interest in EP 161, which are all located in the Beetaloo Basin.

Note on Forward-Looking Statements

The information contained in this release contains certain forward-looking statements. All statements, other than statements of historical fact included herein, included regarding the size, timing or results of the initial public offering are forward-looking statements. When used in this release, words such as “expect,” “project,” “estimate,” “believe,” “anticipate,” “intend,” “budget,” “plan,” “seek,” “may,” “should,” “would,” “could,” “will,” “authorize,” the negative of these term and similar expressions are intended to identify forward-looking statements, although not all forward-looking statements contain such identifying words. These forward-looking statements are based on our current expectations and assumptions about future events and are based on currently available information as to the outcome and timing of future events. When considering forward-looking statements, you should keep in mind the risk factors and other cautionary statements described in the section entitled “*Risk Factors*” in the prospectus included in the registration statement. These forward-looking statements are based on management’s current belief, based on currently available information, as to the outcome and timing of future events.

Although we believe that the assumptions underlying these forward-looking statements are reasonable, should one or more of the risks or uncertainties described in the prospectus included in the registration statement occur, or should underlying assumptions prove incorrect, actual outcomes and our results and financial condition may differ materially from those indicated in any forward-looking statements. In light of the significant uncertainties inherent in these forward-looking statements, the inclusion of such information should not be regarded as a representation by us or any other person that our objectives and plans will be achieved. All forward-looking statements, expressed or implied, included herein are expressly qualified in their entirety by this cautionary statement. This cautionary statement should also be considered in connection with any subsequent written or oral forward-looking statements that we or persons acting on our behalf may issue.

All forward-looking statements, expressed or implied, in this release are based only on information currently available to us and speak only as of the date on which they are made. Except as otherwise required by applicable law, we disclaim any duty to publicly update any forward-looking statement, each of which is expressly qualified by the statements in this section, to reflect events or circumstances after the date of this release.
